

**NETWORK MASTER AGENT  
MARKETING PROGRAM  
OVERVIEW**

This overview summarizes the principal terms of a proposed Co-Op Marketing Program marketed by VTG Mobile Inc., through its affiliated company Armed Forces Wireless/Mobile Inc., a California corporation (the "Company").

The Company was formed to maximize certain opportunities in the telecommunications and prepaid cellular phone industry. Our vision is to offer Co-Op Marketing and Advertising Program opportunities that provides risk-adjusted returns in the telecommunications sector. The company will provide Network Master Agent a My AFMobile.com Marketing website that will offer VTG's wireless phone service plans, to include Unlimited, Talk, Text, and Data Plans and related products and services via a shopping cart that is controlled by VTG and embedded in the Network Master Agent Co-Op Marketing website.

<b>Opportunity:</b>	Co-Op Marketing Program
<b>Maximum Amount:</b>	\$35,000 (10 seats)
<b>Price Per Seat:</b>	\$3,500
<b>Revenue Share:</b>	12% revenue share from activated cellular plans, to include renewals paid Quarterly (6 months ramp up period)
<b>Term:</b>	30 Months

**Marketing Program Agreement:** The purchases of the seats will be made pursuant to a Marketing Program Agreement, which shall contain, among other things, appropriate representations, warranties, and conditions to participating.

The proceeds from the opportunity will be used to finance our social media and marketing campaigns. The purpose of the Co-Op Marketing and Advertisement Program is to expand the Armed Forces Wireless/Mobile Cellular Network through our proven methods of marketing.

**NETWORK MASTER AGENT  
MARKETING PROGRAM

# What Is It?

It is a Marketing profit sharing program  
in a \$489 billion dollar industry

*my*AFM**obile**  
armed forces mobile™

## HOW IT WORKS

We allow individuals to take advantage of short-term opportunities. That lets you capitalize on the \$489 billion-dollar telecom industry. As a result of our expansion we are allowing individuals to capitalize from the growth of our subscriber base through a tremendous Strategic Co-Op Marketing Profit Sharing program. We are allowing each individual to purchase one (1) or more seats on our co-op marketing program. There are 10 seat in each marketing campaign, purchase 1 to 10 seats, each seat cost \$3,500. Based on our current marketing efforts our acquisition cost to acquire a new customer is around \$50 so 10 seats at a cost of \$35,000 will allow us to acquire around 700 subscribers. Our goal for each marketing campaign is to acquire 700 subscribers at \$50 per subscriber which would generate \$35,000 in monthly gross revenues. We will pay a 12% revenue share on those 700 or more subscribers each month see the example below.

## How You Get Paid

Purchase your slice of the pie (seat)

### EXAMPLE OF A SINGLE SEAT PURCHASE

Cost for 1 seat = \$3,500  
Customers Acquired = 70  
Gross Monthly Revenue = \$3,500  
Your Commission is 12% = \$420 mo.

### EXAMPLE OF A 10 SEAT PURCHASE

Cost for 10 seat = \$35,000  
Customers Acquired = 700  
Gross Monthly Revenue = \$35,000  
Your Commission is 12% = \$4,200 mo.
