Photocharity -helping homeless youth

Mission: To raise funds and create awareness to save and empower homeless youth in San Diego County & beyond

Vision: To raise funds and create awareness for a House of Hope dedicated to saving and empowering 18 to 24 year-old homeless youth starting in San Diego County and then expanding beyond; and to support and expand services at the Storefront Shelter.

Currently there aren't any services available for 18 to 24 year-old homeless youth in San Diego County. Photocharity is dedicated to raising awareness and funds for charitable organizations that empower youth to make better choices. Homeless and disadvantaged youth have been their prime area of focus over the past eight years. This is accomplished through public speaking, music concerts, photography, and other fundraising events. Heart-felt corporate and volunteer angels assist Photocharity in making this mission a reality.

Photocharity has co-developed an after school program, which includes music & expressive arts, to combat juvenile delinquency. This assists in helping improve self-esteem for homeless & disadvantaged youth. Focus groups with Homeless & disadvantaged youth have helped in understanding which activities would be desired (from the youths' perspective). These focus groups have assisted in selecting activities for the program with a goal of increased participation. The Photocharity after school program was established in 2003 and includes music(guitar, harmonica), snowboarding, rock climbing lessons, and expressive art therapy.. The program has resulted in the teens writing over 50 original songs. A Photocharity band, the TNT Band (Tuesday Night Teens), made up of the Storefront teens has been launched as part of this program and has performed at Photocharity concerts.
